

**EXCELLENT LASER TECHNOLOGIES FOR EUROPE'S
SUSTAINABLE FUTURE.**

**Lasers are not just tools
- they drive regional growth.**

[Laser pro Excellence Hub

**LASER-PRO IS A HORIZON EUROPE EXCELLENCE HUB
BUILDING A POWERFUL LASER INNOVATION
ECOSYSTEM ACROSS CZECHIA, LITHUANIA, AND
UKRAINE.**

We connect research, industry, startups, and key stakeholders to turn laser technologies into real industrial impact.

Co-funded by
the European Union

**LASER-PRO project builds more than technology.
We build capability, trust, and momentum.**

- Develops joint R&I projects in advanced laser applications
- Supports SMEs, startups, and scale-ups
- Trains the next generation of laser experts
- Strengthens regional innovation ecosystems
- Integrates Ukraine into the European R&I landscape

**Sustainable
Manufacturing**

**Semiconductor
Technology**

**Biomedical
Innovations**

**Digital and
3D Printing**
